L S U at Kentucky      Oct. 18 1986

COACHES QUOTES

BILL ARNSPARGER, L S U -

They just gave the game ball to my mother, She is the happiest person in the world,

It wasn't a pretty game. We made lots of errors. The reason we won was the fact we showed a lot of determination, enthusiasm and desire. We played a fired-up team but we were fired up too. If you keep hitting, you can turn a game around and that's what we did tonight.

We had some penalties for illegal procedure. Their line was moving a lot and we misunderstood some calls. We changed the tone of the signals and started listening to our quarterback instead of the Kentucky linebackers.

We knew that if we could pick up on their blitz we could complete some passes and we did that. A defense can make some big plays with the blitz but if the offense picks it up in time it can make the big plays,

Yes, it was a rough game, several scuffles. We just point to the scoreboard.

JERRY CLAIBORNE, Kentucky

We had some real critical plays. Right before the half, with the bad snap, we should have kicked it. But we overcame it. I thought our effort was good. LSU is a real good football team. You can't give a team like LSU the field position we gave them. We didn't punt very well. We didn't boom the ball.

At times we did move the ball well. We had one real good drive in the second half with (Kevin) Dooley. Most of the time we were backed up and this limited what we could do. We just came up short.

(Kenny) Higgs and (Ivy Joe) Hunter did not practice all week and it's hard to play without practicing.

They beat our man twice on a fade pattern. You have to give them credit. It was a good pass and a great catch.

It's a tough loss, I'll tell you that.
